**AGREED JUDGMENT OF DISMISSAL**

This cause comes before the Court on the ore tenus request of the parties that this case be dismissed with prejudice in view of the Plaintiffs' agreement that the Defendants' Motion for Summary Judgment is likely to be sustained, and upon the Defendants' agreement that they will not attempt to cause any costs, attorneys fees or expenses to be shifted to the Plaintiffs or their representatives. After due consideration of the record in this cause, the applicable law, and being otherwise fully advised in the premises, the Court finds that the parties' request is meritorious and should be granted. It is therefore,
